District Council 2 and 3
Regional Update**

Over the past two weeks, your dairy and water leaders from DC 2 and 3 have been involved in the following activities.

Lake Mokoan:

Richard Anderson and VFF members of the Broken system met with Government last week to continue their negotiations regarding the decommissioning of Lake Mokoan.

Northern Region Sustainable Water Strategy Working Groups:

Richard Anderson is the VFF representative on both the environment and allocation working groups that provides advice to the Consultative Committee. Issues discussed last week included revised carryover models and environmental water allocations.

National Farmers Federation (NFF) Technical Working Group:

Richard Anderson attended this meeting in Sydney last week to discuss the Federal Water Plan given all states have signed up. Senior Federal Department staff briefed the group on the new Memorandum of Understanding (MoU) and outlined issues to be considered in the Intergovernmental Agreement.

Murray Dairy Forum:

Murray Dairy is holding a forum titled "Change, the only constant" on the 7-8th May at the Moama Bowling Club. For further information contact Murray Dairy on 5852 0524.
